

## Calibra Dog Life Senior Small Breed

### Fresh Beef

Kibbles for older dogs (7 years and older) of small breeds (1–10 kg) with fresh beef and rice are perfectly digestible and suitable even for sensitive digestion. This complete superpremium dry dog food contains functional additives customised for large breeds that support joint health and support detoxification.

### SPECIAL ADDITIVES

**VITAMINS AND CHELATED MINERALS** – supplementation of vitamins and a chelated form of minerals, which is highly usable by the organism, helps support the proper functioning of the organism, prevent disease and strengthen the immune system.

**GLUCOSAMINE AND CHONDROITIN SULPHATE** – chondroprotectives that nourish cartilage and help slow down its wear and tear process.

**MILK THISTLE SEED** – contains silymarin, an antioxidant that supports liver function.
