Unika 255126

Date: 11.10.2024

SECTION 1	<u>Identification and health hazard summary</u>
Physical form	creamy powder animal feed product. The product is not classified as hazardous.
SECTION 2	<u>Physical properties</u>
Appearance and odour	creamy powder
Bulk density	standardized
SECTION 3	<u>Reactivity data</u>
	the product is stable
SECTION 4	<u>Health hazard data and first aid</u>
Skin protection	not applicable
Eye protection	possible slight irritant
Respiratory protection	not generally required unless needed to prevent respiratory irritation from dust
Indigestion	none
Long term effects of over exposure	none
SECTION 4	<u>Emergency and first aid procedures</u>
Skin	wash off with water
Eyes	irrigate well with water
Inhalation	move to fresh air
Indigestion	drink water
SECTION 5	<u>Fire and explosion hazard data</u>
	no extra fire or explosion danger
SECTION 6	<u>Precautions in handling and use</u>
General precautions	the usual high standards of animal feed hygiene should be maintained
SECTION 7	<u>Storage</u>
	store in a cool and dry place

Material Safety Datasheet

SECTION 8	<u>Spillage or leak procedures</u>
Steps to be taken	small spillages may be rinsed away with water, large spillages should be collected
Neutralising chemicals	not applicable
Waste disposal	collect
SECTION 9	<u>Labelling information</u>
	product is not classified as a dangerous substance
SECTION 10	<u>Stability and reactivity</u>
	the product has a shelf life of minimum 12 months under normal storage conditions
SECTION 11	<u>Toxical information</u>
	the product is non toxic The product is not soluble in water: dangerous class:0
SECTION 12	<u>Ecological information</u>
	the product is bio-degradable
SECTION 13	<u>Disposal considerations</u>
	no specific requirements, however ensure compliance with EC and national regulations
SECTION 14	<u>Transport information</u>
	no danger
SECTION 15	<u>Regulatory information</u>
	classification and labelling according to EC directives no hazards symbols
SECTION 16	<u>Additional information</u>
	this information relates only to the product as mentioned
